# HAPPY HEALING XMAS

*with a 'Golden Voice'*

FOR THE HOLIDAY MAKER

FOR THE HOME MAKER

## HEALING PERSONAL

A camera-sized gift . . . but definitely one of "the best things that come in small packages." Broadcasts cheer in a bold voice, from stations near and even interstate. 4 valve, superheterodyne circuit.

## HEALING COMPANION

At the beach, the hills — anywhere — Companion brings you programmes with "Tone, that belongs to Golden Voice alone." 5 valve circuit . . . 8-inch speaker. Leatherette-covered cabinet with protective, close-over lid.

## HEALING LIEDER

With Garrard 10 record Automatic player and changer to re-create with full atmosphere carols at Christmas . . . "pops" at a party . . . music to match the moment from your own record collection. 5 valve circuit with world-wide range. Cabinet and controls styled along "Superior" lines.

## HEALING MANTEL

For the home where restrictions are on space, not on style. 8-inch console-size speaker . . . generous Airpex, edge-lit dial . . . and sleek moulded cabinets of all-over ivory, and walnut with ivory flutings.

## HEALING CONSOLE SUPERIOR

A room-flatterer of two-tone, contemporary styling; a technical masterpiece that re-creates programmes from "white Christmas countries" or local stations with equal clarity. 12-inch speaker . . . speed-tuning control to pin-point stations in a flash.

## HEALING MODERNE

Equally at home on the shelf, table, or attached to the wall — out of damage range — with a special exclusive fitment. 4 valves . . . totally enclosed cabinet.

## HEALING COMPERE

Will steal the show on Christmas Day — and every day. Immaculate, tailored appearance in walnut, ivory, or pastel green. Versatile 4-valve circuit.
