HALLOWED GROUND
WHERE THE PIONEERS LIE AT REST
IN THE SHADOW OF THE MOUNTAIN

Harpers was a beautiful village
long before Young was built.

It was named after the
St Peter's Church in Harp's
Street, London. There were
two main streets, Harp's Street
and Church Street, which
formed the centre of the village.

The main building was the
St Peter's Church, which
was built in 1767 and
remained in use until
1950 when it was
converted into a
museum. The church
was a place of worship for the
Indians who lived in the
area. It was also used as a
schoolhouse and a public
library.

Old Harp, a large
stone house, stood
adjacent to the church.

The village was
abandoned in the
1850s and
nothing remains of it
today.

The cemetery
behind the church
contains the graves
of many early settlers.

The graves
are
marked with headstones
that
bear the names of
people who lived
in the
area.

Several
of the
headstones have
inscriptions that say
"here lies..." or
"rest in peace..."

The cemetery
is
a place of quiet
reflection and
remembrance
of those who
once
lived in this
beautiful
village.

tings.
