HOSPITAL GUESTS

The long promised concert by the St. John's Mission Church choir took place on Friday evening last. The concert was well attended and the performance was excellent. The choir sang several familiar hymns and also some new ones. The audience was most enthusiastic and the choir was well received. The concert was given to raise funds for the hospital and the proceeds were very satisfactory. The choir will give another concert next week, which will also be used to raise funds for the hospital. The concert was a great success and the hospital is very grateful for the support given.
