Paper says doubts about legal title are likely to linger

Goss says process may take years

The reasons why Mabo is not just another land rights case

The Mabo debate paper released by the Federal Government

The document is a comprehensive analysis of the Mabo decision and its implications for Australian law and policy. It outlines the government's position on the case, highlighting the legal and political challenges it presents. The paper also discusses the broader implications for Indigenous rights and the national identity of Australia.

NSW Aborigines lodge claim for ‘billions’

Mabo ‘a divisive issue’

Kenneth is well

Melbourne’s chief executive, Dr John Fahey, said the government would vigorously pursue its rights to the land, and that the decision would have wide-ranging implications for Indigenous rights.

Gova backs off after blast

Negative reaction to ad

Melbourne: The advertisement agency responsible for the campaign has been forced to withdraw the ad after widespread criticism. The ad, which featured a man planting a headstone, was intended to raise awareness of Indigenous rights. However, it has been widely criticized for its insensitive portrayal of Indigenous culture.
