Much-improved work on Russia

T he nation's trade relations with Russia have been discussed freely and at length. The question of improving the nation's trade relations with Russia has been brought up many times and it is now the time to take action on it. The trade between Russia and the United States is still in the early stages and there is still much more to be done. There has been a lot of discussion about improving the trade situation, but until now there has been no action on it.
