TRANSPORT IN AUSTRALIA

Mr. Danger-Grey To Go To Conference

Previous Sections of the National Transport Conference will be continued this year, in which a large number of operators will take part. The conference is scheduled for the early part of the year. Details will be announced later.

GREAT LAKE FISHERMEN AND THEIR CATCHES

Fighting Among Grand Canal

A Japanese Naval Officer who had been fighting with the Japs in the Grand Canal area, has been captured by Imperial Navy. He was bisher a prisoner of the Japs, but escaped from them and made his way to the Grand Canal area. He was captured by the Japs, who then took him to the Jap headquarters at Singapore. His name is Hanchwang, and he is a noted sea captain. He is now a prisoner of the Japs.

DISADVANTAGES OF SUN BLINDS

Ventilation of Trams and Buses

The disadvantages of sun blinds are many. They prevent the ventilation of trams and buses, and thus make the journey uncomfortable for the passengers. They also prevent the passengers from seeing the scenery outside. The disadvantages are many, and must be overcome before the blinds can be used.

FEDERAL AID TO FORESTRY

Cabinet To Consider Continuance

The Cabinet will consider the continuance of the Federal Aid to Forestry at its next meeting. The Cabinet has already agreed to continue the aid for the next five years. The aid will be continued for a further five years.

EGG-LAYING CONTESTS

50-Week Competition Completed At New Town

The egg-laying contest at New Town has been completed. The contestants were the following: Miss A. Smith, Miss B. Andrews, Miss C. Jackson. The winner was Miss A. Smith, who laid the largest number of eggs.

NEW TROLLEY BUDDIES

Tender Assumed For Supply Of Tram Cars

The tender for the supply of tram cars has been assumed by the new company. The tender was for $100,000. The company is made up of Mr. A. Smith and Mr. B. Johnson, who are both experienced in the tram industry.
