DR. STEPHENSON MACADAM
Consulting Chemist to the Imperial Government.
Written from Bangkok’s Hill, Edithburg, recommending

MINERVA TONIC
For those requiring a Tonic Restorative.
He says the Tonic is good, salubrious, and tempering, and persons the victims declared for.

"THE BRITISH LANCET.
The British Medical Association is the world, approves the formula of Minerva Tonic."

MINE RVE TONIC is on sale by all Chemists, and you are asked to take it, for being supplied with it. No other tonic is so good, and none it in companies to buy, have anything like the same testimony.
