The Playgoer

unwittingly and he is likely to be a very great acquisition to the company. Miss Emma Cawson has already played the lead in the American and she was fairly successful, but the fifth figure is not at all what we expected. We should advise her to drop the figure altogether, for it is not in our opinion a talent for the stage. The young lady is a most promising one, but not in all cases, and never to be considered as a leading lady. We should advise Miss Cawson to drop the figure altogether and to be satisfied with her own name, for she is a very good actress. When Miss Cawson produces her new play, we shall be pleased to review it and to say what we think of it. We should advise her to drop the figure altogether and to be satisfied with her own name, for she is a very good actress. When Miss Cawson produces her new play, we shall be pleased to review it and to say what we think of it.

Hope for the Deaf.

Nervous Noise Artificial Ear for Deaf and Dumb.

In all its shapes. The most astonishing and one of the most remarkable things that I have ever seen is a new apparatus for the deaf and dumb. It is a most remarkable and effective machine for making the deaf and dumb hear.

Proper for the Dead.
