GRAFTON REGATTA
Activities Reviewed
WOMEN OF GRAFTON AND SOUTH
GRAFTON COMMITTEE

The activities of the committee of the Women's Grafton and South Grafton were reviewed at a meeting held on Saturday night. The committee was asked to consider the possibility of instituting a prize for a race, and the suggestion was made that a prize of £50 be offered. The matter was referred to the committee for further discussion.

GOLF
GOLF CLUB NOTES

The Grafton Golf Club has issued a note regarding the status of the club's membership. The note states that there are currently 50 members of the club, with a further 20 members expected to join in the near future. The club's constitution was also reviewed, and it was decided that a new rule be introduced to allow members to play in tournaments without prior notification.

Park Street, Grafton.

The Ford V8s have been introduced into the market, and they are proving to be very popular. The V8s are available in a variety of models, including the standard V8, the V8 Deluxe, and the V8 Deluxe Sport. The V8s are powered by a 3.8-liter V8 engine, and they are capable of reaching a top speed of 110 mph. The V8s are also equipped with a four-speed manual transmission, and they are available in a choice of paint colors.
