An Australian Store.

ANTHONY MODGREN & SONS
NEW PALACE EMPORIUM
BROCKFIELD HILL, SYDNEY.

A Store for Australians

Great variety of goods for use and amusement, and a large stock of toilet articles, household goods, and children's toys.

The Manager, Mr. A. C. Johnson, has been in the business for over 20 years, and is well known in the trade.

He is ready to give all information and advice to customers.

The store is open from 9 a.m. to 5 p.m., and is closed on Sundays.

An Interesting Legal Decision.

In the recent case of X v. Y, the High Court of Australia delivered a decision which will be of great interest to all legal practitioners.

The case was one of contract law, and the decision of the Court was in favor of the plaintiff.

The Court held that the defendant was liable for breach of contract, and that the amount of damages to be awarded was $1,000.

The decision of the Court will be published in the next issue of the Sydney Law Journal.

An Armidale Hospital.

The Armidale Hospital is a modern hospital, equipped with all the latest appliances and fittings.

The hospital has a capacity of 100 beds, and is staffed by a large number of trained nurses.

The hospital is open to all patients, and no charge is made for treatment.

The hospital is under the management of Dr. John Smith, who has been in charge of the hospital for over 10 years.

Mr. Smith is a well-known medical practitioner, and is highly respected for his skill and humanity.
