THOUSANDS WAIT IN VAIN TO SEE WREATHS

POLICE CLOSE QUEUE AT CASTLE

LONDON, Feb. 16 (A.A.P.)—About 10,000 people were turned away yesterday when police closed the three mile long queue to see the wreaths sent for the King's funeral. Some of those told to disperse had been waiting up to four hours.

There were many indignant protests from the crowds, estimated at about 150,000, who travelled from all parts of Britain to the ancient town of Windsor to pay their simple homage to their King, who was buried with great pomp and pageantry within the walls of Windsor Castle yesterday.

Many of the pilgrims brought small posies to place beside the massive wreaths sent by foreign monarchs and Governments.

The castle will again be open to the public tomorrow.

QUEEN MOTHER'S THANKS

LONDON, Feb. 16 (A.A.P.)—Queen Elizabeth II, in writing to the King, said: "We wish to express our deep appreciation to everyone who has contributed to the success of the Commemoration, and to all who have taken part in it, in whatever way, for their patronage and support."

LONDON, Feb. 16 (A.A.P.)—The Queen and Prince Philip, Duke of Edinburgh, also expressed their gratitude to all who have supported the Commemoration in any way.
