MR. BROOKER WILL BE STATE'S NEW PREMIER

Ministers Chosen

The Premier (Mr. Cosgrove) will tender his resignation to His Excellency the Governor (Sir Hugh Branch) today. Mr. Cosgrove said yesterday that the resignation would, in accordance with convention, carry with it the resignation of the Ministry.

Few Changes Likely

The Government will make a few changes, with a view to the next election. There are nine Cabinet ministers and six members of the Government outside Cabinet. At least two Cabinet ministers will resign and a number of outside ministers will join the Cabinet. It is likely that Mr. Halnan will be returned to the Port Phillip electorate. Mr. Blundell is expected to follow the lead of the Premier and tender his resignation, and Mr. Cartwright will probably resign. Mr. Wilson is also expected to tender his resignation.

Mr. Blundell is expected to take over the Department of Local Government, and Mr. Cartwright to take over the Department of Public Works. Mr. Wilson will probably take over the Department of Education.
