SIDELIGHTS on SOCIETY

Party Given in Honour of Daughter

In honour of her daughter, Mrs. Geoffrey Smith, an attractive garden party was given during Car Week. Mrs. Smith, who has two sons, was born in London, where she was educated, and has resided in Sydney for the past 20 years. She is the daughter of a distinguished family, and has been famous for her beauty and charm. The garden party was held in her Garden, which is one of the most beautiful in the city. The guests included many well-known people, and the food was excellent. The weather was perfect, and everyone enjoyed themselves. The party lasted until late in the evening, and it was a complete success.
