Oblivitory.

HIS MARY GRACE M. LEAN.

The funeral of the late Mrs. Mary Grace M. Leam, relict of the late Mr. Thomas Leam, of Coromandel Valley, will take place to-morrow afternoon at 3 o’clock from her late residence at 10 Burnham St., to the Church of the Holy Cross, South Parade, wherein a few words of the late lady’s life will be spoken by Rev. Mr. Leam, the relict. The funeral will leave the Church at 4 o’clock, and proceed to the Crematorium, Bayswater, where the interment will take place. Messrs. M. R. A. and S. Herring, printers, will have a card ready for those who wish to send the deceased lady in. The funeral is largely expected.

THE RAINFALL.

The rain which fell in the last 24 hours was not very heavy, but it was spread over a large area of country, and was sufficiently long to give some comfort to the farmers. The decrease which occurred in the temperature has been accompanied by a considerable fall in the barometer, and there is every indication that the weather will not improve for some time. The farmers, therefore, are advised to make arrangements for the necessary repairs, and to see that their stock is well looked after.

Respectfully,

B. F. Aitken,
Manager of the Portland Guardian.

Sailors’ Rest

ANNUAL MEETING.

The Annual Meeting of the Sailors’ Rest was held last evening in the Hall, and the following officers were elected:-

President, Mr. J. A. Shaw;

Vice-President, Mr. J. A. Martin;

Secretary, Mr. R. A. Martin;

Treasurer, Mr. W. A. Martin.

The business of the evening was concluded with the presentation of a certificate to Mr. A. Martin, who has been a member of the committee for many years, and has done much for the benefit of the Institution.

Visit of Minister

The Minister of Lands (Mr. T. R. Whitaker) arrived last week from Melbourne, and was greeted with great enthusiasm by Portlanders. Mr. Whitaker spent a few hours at the Hotel Royal, and then proceeded to the Fruit and Grain Market to inspect the produce. He was then taken to the Government House, where he was entertained by the Governor. Mr. Whitaker is expected to be in Portland for a few days, and will no doubt make many valuable suggestions for the development of the district.
