THE GREAT MUSICAL-COMEDY DRAMA

"The Broadway Melody"

No. 2376. PRINCE REGENT THEATRE, Friday, Saturday, Monday, Tuesday.

THE FANTASTIC SONG AND DANCE MUSICAL COMEDY "The Broadway Melody" has already gathered an immense following in London, New York and every large city in America. It is now coming to Melbourne and is sure to attract even a larger audience. The music is by the famous composer George Gershwin, who has written many of the most popular songs of the present day. The dance scenes are handled by the great American director Raoul Walsh, who has directed many of the most successful films of the past. The cast is headed by the famous American actors James Cagney and Jeanette MacDonald.
