ITALY, FOR

MILITARY BARRACK BEAK

CARRACKS of a military barrack room for Australia, as advocated by the Leader of the Opposition (Mr. McMahon), represent more suitable accommodation for the Peace-time Barracks in the United Kingdom. It is estimated that the barrack room would be a most advantageous method of providing accommodation for the men of the Forces. Among the choicest of the barrack rooms is that at Ilford, which is a most attractive and commodious place.

MILLIONAIR PASSENGER MAKES RECORD F.A.N.A.

Mr. R. J. M. Salter, of Sydney, has announced that he will make a trip around the world in a private plane, and that he will fly from Sydney to London, via the United States, Canada, and the United Kingdom. Mr. Salter has been in Australia for some time, and is a well-known aviator.

MILITARY BARRACK BEAK

The barrack room is situated in the heart of the city, and is well built and equipped with all the necessary facilities. It is estimated that the barrack room would cost approximately £10,000. It is expected that the barrack room will be ready for occupation in the next few months.
