WE MUST HAVE MORE COAL

VAST expansion of the coal mining industry, demanded by the ever-increasing demand for power, pace of progress of great industrial industries, for the war effort, for the Federal and State Governments, and for the Miner's Pensions. Even if the Gov- ernment will not take the lead in this, then the States must do so. The coal is there and the richer the industry can become the better it will be for us.

INFLATION IS SOVIET WEAPON, SAYS MR. CASEY

The present and future threat to the world's commerce may well be the result of expansionary bias that is being expressed in all quarters of the world. It has been suggested that the rate of inflation is being used as a weapon by the Soviet Union. There is no doubt that inflation is being used as a weapon by the Soviet Union. It is being used as a weapon by the Soviet Union.

Pine Plantation Fire Promptly Extinguished

Fire fighters of the Pine Creek Forestry Board's fire unit made an outstanding save last Sunday afternoon in extinguishing a fire which threatened over 6,000 pine trees above the Cotter Pool.

The fire, which was started by the wind, was quickly brought under control by the fire unit. The fire was started by a lighted match which was used by a man who had been working in the area.

Government Fires on One-Man Boxes

STOYNE, Wednesday.

A fire has been started on one of the boxes which are used by the Government for the disposal of rubbish. The fire was started by a man who was working in the area.

University Results

The University of Canberra has released its results for the winter semester. The results show that there is a significant improvement in the grades of the students. The results also show that there is a significant improvement in the grades of the students.

BRICK BONUS MOVE: COUNCIL CRITICAL

The Council has decided to move to increase the brick bonus from 50 to 100. This decision has been criticized by the Brick Bonus Movement.
