The occasion of the Bush Brotherhood of St. Paul's 50 years Jubilee celebrations brought to Charleville many visitors to witness and take part in the most spectacular and colourful celebrations ever to be witnessed in the West.

As a sequel to Thursday last week and Charleville's Jubilee week in the Town Hall was lived up to its promise. Many part guests were present, including Messrs. J. Bishop and Mrs. Bishop, Bishop Dough, and the Archdeacon of Brisbane, Dr. Halbe, and the Bishop Coordinator.

The occasion of the 50th anniversary of St. Paul's Church was also a golden jubilee to the many who contributed to its success. The church was dedicated in 1871, and the congregation has grown from a few scattered people into a thriving community.
