MELBOURNE, January 6.

The first twelve of the annual Australian Grand National at Flemington yesterday were won by a horse named "Mrs. J. F. A. Bell." This is the first time for ten years that a horse trained by the late Mr. J. F. A. Bell has won the Melbourne Cup.

Although the race was a close one, Mrs. J. F. A. Bell was the only horse to come up to expectations. The winner was followed by "The Coo" and "The Rovers." The latter was also trained by Mr. J. F. A. Bell.
